"Michelle is one of the kindest and warmest people I have ever had the pleasure of meeting. Michelle has such a powerful presence on stage and makes you feel as if she is talking solely to you. There is no doubt in my mind that every single audience member will leave Michelle's presentations daring to dream bigger and live the life they have always wanted"

Presented to:

I've invited Michelle to speak to a number of my groups and every time, she has over-delivered on what I was expecting from her. Her warmth is infectious, both in person and online, and my groups have instantly trusted her. She has a magic way of delivering straight-talking, clever advice while never making her audience feel inadequate or inferior. However what I love most about her speaking style is the absolute certainty the audience have that she is in their corner, and fully invested in their continued success.
