

One-Off Business Boost

As a business owner, it is natural for your head to be brimming with ideas for your business.

But how do you know which of those ideas are the right opportunities for you and your business?

Perhaps you know what you want to do but you are paralysed by the enormity of what you need to do and have no idea where to start?

If you are looking for clarity from someone solution-oriented to cut through the thoughts spinning around that brilliant entrepreneurial brain of yours, then a

Business Boost Session is for you.

During this 70 minute, laser-focused session, we will work through your idea or challenge and get super clear on what needs to be prioritised to move you forward. I share my expert secrets and provide practical solutions tailored specifically to your business.

You will walk away crystal clear on the exact next steps to take to bring your ideas to life, supercharge your business and finish the year on a high.

** I have limited spots available each month so please book early to avoid disappointment **

Bridget Johns
Declutter Coach

Michelle is my business fairy godmother.

Being a sole trader, you have a lot of time to doubt and second guess yourself.

I love that with Michelle I can vent, brainstorm, action plan and celebrate my wins with someone who is cheering me on and offering guidance and support.

Launching online programs is stressful and being able to reach out to Michelle to work through my blocks and calm my nerves was invaluable.

**It's time to build the business you were dreaming about when you launched.
Take the first step by booking your Business Boost Session today.**
